Choose Open Access

Based on the information you provided on submission, we have identified that you are affiliated with Università degli Studi di Milano, which means you are eligible for a 15% discount on your Article Publishing Charge (APC). The estimated APC is now $771.25 plus applicable taxes.

Open Access offers greater accessibility, visibility, and impact for your research. Articles published Open Access with Taylor & Francis typically receive 93% more citations and over 7 times as many downloads. Read about these benefits in our Open Access information pages.

Some organizations may be willing to fund Open Access for their researchers, or even mandate that your research output is published as Open Access. We recommend that you check with your organization. If you believe your institution has an agreement with us and might provide payment for your APC, please contact us.

Are you interested in publishing this article as Open Access?

Declare any conflicts of interest

A conflict of interest may arise if you have a personal interest in your research ending in a particular outcome. To uphold transparency and trust, it's important for us to document any conflict that you think might apply here.

Do you need to make a conflict of interest statement?  
- No
- Yes

A conflict-of-interest may occur when an author or an author’s employer or sponsor has a financial, commercial, legal, or professional relationship with other organizations or with the people working with them that may exert an influence on that author's research. You can read more about our conflict-of-interest policies at: http://journalauthors.tandf.co.uk/permissions/reusingOwnWork.asp If you select "Yes", you will be asked to provide a Disclosure Statement.
Confirm permissions

Before we publish your work, we need to confirm with you that any third-party content in your article is used with the permission of its copyright owner. You'll need to have permission even if you've included the content under a fair use claim.

Does this article include content from third parties that you are responsible for obtaining permission to reuse?

- No
- Yes

We require that you obtain the necessary written permission in advance from any third-party owners of copyright for the use in print and electronic formats of any of their text, illustrations, graphics, or other material, in your article. The same applies to any other necessary consent. Suggested wording for the request for permission is given here. It is also important to ensure you acknowledge the source, and cite the source in your References section. If you select "Yes", you will be asked to provide information about the content and rightsholders you have obtained permission from.
